

You can travel south on Hwy 563 to I-10. At I-10 go under the overpass and turn left on the feeder. You can either stay on the feeder or get on the freeway and take the Hankamer exit (Hwy 61). It is about two miles to Hwy 61 from Hwy 563. At Hwy 61 turn right. White's Park will be on the right just past DJ's Exxon station.

If you are travelling from the Hardin area and plan on going through Raywood (the shortest route) take Hwy 90 to Hwy 61 in Devers. Turn right on Hwy 61 and remain on to the freeway. (61 curves to the right at the freeway, passes by Country Boy's Country Store, then back to the left under the freeway) Continue on Hwy 61 past DJ's Exxon on the corner and White's Park entrance will be on your right.
