These magnetic signs will be placed on the kids own horse trailer as they travel to and from practice and the many rodeos and parades they participate in. Many of our kids are in the National High School Rodeo and various barrel racing associations. Your company or family name will let many people in various counties know you care and support the Drill Teams.

The following colors are available to personalize your sign: Black, Red, Royal Blue, Burgundy, Blueberry, Hunter Green, Kelly Green, Kiwi Green, Yellow, Gold, Brown, Orange, Teal, Purple, Silver, Dark Gray and many more. All signs come on a white background. If possible, please provide a business card or letterhead so we can match the lettering style. Logos can be added, custom logos may be an additional charge.
